

Installation instructions Schaller-Bridge „Hannes“

Please print on transparent paper!

The front edge of the high E-string's saddle must match up to the mensur line (place it accordingly).

Please ensure when printing, to set following settings so that the template is printed to the correct 1:1 scale:

- Page handling/Page Scaling are set to „None“
- „Chose Paper Source by PDF page size“ enable
- „Auto-Rotate and Center“ disabled

We accept no liability!
